ARCHITECTURAL IMPROVEMENT APPLICATION AND REVIEW

By signing and submitting this application I acknowledge that the information provided is correct and I agree to all terms within this agreement. I understand that the Architectural Control Committee (ACC) will act on this request and contact me in writing regarding their decision. I agree not to begin work on this improvement prior to receiving written approval from the Architectural Control Committee. I understand if any change is made without approval, I may be required to remove the improvement from my property at my expense. I also understand that all construction must comply with the Associations Governing Documents and all City codes. The ACC does not override any City code and the approval from the ACC is not an approval from the City. Prior to any commencement of work I agree to obtain the necessary permits from the City. I agree not to alter existing drainage patterns on my lot without approval from the Board or Committee. I understand that approval is not a guarantee of structural safety or engineering soundness. I understand that failure to comply with all items in the agreement will result in the withdrawal of approval.
